RE: Truancy School

Dear Parent/Guardian,

This letter is to inform you that your child, due to an excessive amount of tardies this school year, is considered a truant and will be required to attend truancy school.

Truant, unverified, unexcused, excessive excused absences, or tardies affect the student's education and increase the chances for failure. Tardies interrupt the classroom and interfere with the learning environment for all students.

Please discuss this issue with your child and sign in the space provided below. Our goal is to educate your child. We cannot be successful if he/she does not attend school.

Sincerely,

Administrator
