You Can See Over The Wall

The wall represents the challenges and problems you face. If you feel like you are standing in front of a wall that you can't see past, then you are not likely to get anywhere in life. When you are ready to make a change in your life, you will need to take the steps that will help you climb to the top of the wall. The lessons in this journal will help you get to the top of the wall. Once there, you can see where you want to go and how to get opportunity, freedom, and self-respect.
