The Wall

Secondary Journals

Secondary Journal #1: Each of the steps on the wall includes a question to ask yourself. These questions help you to remember if you are taking the right steps to stay on top of the wall.

Secondary Journal #2 (Art): Design a back cover for your notebook or journal. On a separate piece of paper, draw something that represents what you see yourself doing in the future. Use a collage, graffiti, photographs, paint, or anything you want. Remember—it needs to be positive, no obscenity or gang graffiti.

Secondary Journal #3 (Game Plan): If you feel like you can't see over the wall, identify what step you are tripping on. Review the stops on the picture of the wall.
